It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several

## Get Free Boston Acoustics Digital Media Theater

pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Boston Acoustics included a nice set of angled stands for the speakers. The nice thing about these stands is that they are angled directly to your head (if your desk is at a normal level). Also they are made of rigid metal and suspend the speaker from behind, I

# Get Free Boston Acoustics Digital Media Theater

I suspect that doing it in this way reduces vibrations that can occur when the speaker sits directly on a surface.

My first option is the

Klipsch Promedia 5.1

and do software DVD

# Get Free Boston Acoustics Digital Media Theater

with my PC or connect to a AC3/DTS decoder, and my second option is the Boston Acoustics DT6000 or DPS5.1. I hear that the Klipsch Promedia 5.1 can even beat most other lower priced HTIB's.
