effective persuasive speech if you structure your argument as a solution to a problem. Your first job as a speaker is to convince your audience that a particular problem is important to them, and then you must convince them that you have the solution to make things better. Note: You don't have to address a real problem.

### **Structure a Persuasive Speech**

A problem/solution presentation is a type of persuasive speech that not only identifies an issue and its causes, but also gives you the chance to propose a way to solve it. To give a successful speech, you must select a topic that is both significant and manageable enough to create a potential solution.
