Second Chance Danielle Steel

In a fresh, funny look at what happens when a woman who has everything finally meets her match, Danielle Steel proves that, in life and love, it's never too late for a second chance. As editor-in-chief of New York's leading fashion magazine, Fiona Monaghan lived a life as hectic and high-toned as the fashion world itself, jetting back and forth between her stylish Manhattan brownstone and the couture shows of Europe.

Second Chance by Danielle Steel, Paperback | Barnes & Noble®

Danielle Steele's Second Chance is a good romance novel with believable characters; however, I found some of the reactions of characters not to be very realistic. Perhaps that is why I didn't fall in love with them. The story did have some good laughable moments, which always helps to make a book good.
